11 DESIGN CONCEPT

The Practice Seal

A full professional seal that tells the firm's story at a glance. The name W O Oyebamiji CPA LLC runs around the top arc; Tax · Audit · Attestation reads upright along the bottom, naming the firm's core services; brass separators mark the balance between them. At the centre, the WO monogram sits over a fine rule and CPA, framed by a heavy outer ring and fine inner rings. In oxblood and antique brass, it carries the authority of an established, licensed practice and works as an official stamp on reports, certificates and engagement letters.
